## August Newsletter

### President's Message

Hello, Indiana MBA – I'm pleased to be your incoming President and want to thank Bryan Traylor for his leadership over the past year. Bryan was the best virtual leader in our history, hopefully our only one too!

For over 60 years, the Indiana MBA has served as a valuable resource providing service, support, and information to our members. Our goal is to educate, advocate and provide networking opportunities for our members.

As your new Board, our first act is an annual strategic planning meeting early August. We'd love your input: what are we missing, where should we focus? Have time to volunteer? Join a committee where you can collaborate and communicate with your Indiana MBA friends by filling out and forwarding the volunteer form [here](#).

We've been working hard to bring you several in-person opportunities and are excited to host an MBA **mPower** event with four amazing panelists (and champagne) at our State Convention on September 14th.

*Be Inspired. Be Informed. Be mPowered!*

**Upcoming events – REGISTER TODAY!**

[PAC Golf Scramble](#) – September 13<sup>th</sup>, [River Glen County Club](#) in Fishers

[63<sup>rd</sup> Annual State Convention](#) – September 13<sup>th</sup> and 14<sup>th</sup>, Renaissance Indianapolis North Hotel that features four successful industry women discussing 'Leading with Resiliency' the morning of the 14th.

## **Executive Director**

As we wrap up the summer and start into the fall season we have quite a bit on our plate as Lynne notes above. We continue to be positive about meetings in person at both the state and chapters, and look forward to again be able to provide members with that great benefit of in-person networking!

In addition to the above, we have a couple of chapters with in-person events later this month and next that include:

**August 19th** - The Northwest Chapter is hosting a charity event to benefit the [Food Bank of Northwest Indiana](#) which also includes a visit from **Congressman Frank Mrvan**.

**September 23rd** - The Northeast Chapter is hosting a Charity Event to benefit [Mustard Seed of Fort Wayne](#) with more details to follow later this month.

Additionally, we will be sending out information and registration details this week in regard to FHA and USDA training in September with our preferred education provider, [Diehl Mortgage Training and Compliance](#).

We also want to welcome a new lender member, [United Federal Credit Union](#), based out of St. Joseph Michigan, who has affiliated with the Michiana Chapter.

Finally, below we have an 'infographic' that we will be including in future eNewsletters on a regular basis that is a snapshot of important statistics in mortgage banking and housing. We want to thank the Communication Committee for this idea and in particular, Ashley Foor with Teachers Credit Union for putting this together. The information presented may change periodically but we want to be able to provide you a snapshot monthly of important activity that impacts YOUR business!
